Seeking New Board Members!

The CAFAF Board of Directors is currently seeking qualified kinship care providers to fill open positions on our board. As a kinship provider, you will represent the interests of relative and fictive kin foster and adoptive families on the Board. We are especially interested in persons of color as we are committed to maintaining a balance of racial ethnic diversity on the Board to best reflect our statewide membership.

Our Board is comprised of dedicated directors from the nonprofit and for-profit sector, most of whom are foster and adoptive parents, who are committed to promoting the organization's mission; STARR, - focused upon supporting, training, advocating for, recruiting and retaining foster, kinship and adoptive families in CT.

Skills and experience in administration or management, fund raising, media, marketing, or PR, or a legal or financial background could be helpful.

Board Member Expectations Include:

- Attend monthly meetings and sign a Board Responsibility Agreement
- Assume the Board's fiduciary role shared by all of the directors for the organization
- Abide by the Board Bylaws and ethical guidelines
- Engage in opportunities to increase community awareness and understanding of the CAFAF organization
- Invest in CAFAF's work by making a confidential financial contribution (amount of personal choice) annually
- Responsibly represent CAFAF to one's respective communities and advocate for CAFAF's mission, programs, and services as appropriate

Please contact CAFAF Board Vice President Cathy Gentile-Doyle at cgent630@gmail.com for more information on how you can join us!
